REMARKS

The specification and claims of Patent No. 6,945,047 have been compared with the file of
applicant's counsel.

It is requested that the instant letter be placed in the file of Patent No. 6,945,047 for the
purpose of calling attention to immaterial typographical errors in the printed patent, the
correction of which should be apparent. This letter is being filed to avoid burdening the Patent
and Trademark Office with a request for a formal certificate of correction.

Respectfully submitted,
